

# Budget worksheet

Want to buy a car or a new computer but not sure you can afford it?  
Use this worksheet to draw up a budget—it'll help you save the  
money you need for your next major purchase.

First, select how many months the budget will cover:

Month From \_\_\_\_\_ to \_\_\_\_\_

## Your income

### What

Enter the type of income.  
You can change the default types if you need to.

### How much

Enter the total amount for the  
period of time you selected.

Total income

## Expenses

### What

Enter the type of expense.  
You can change the default types if you need to.

### How much

Enter the total amount for the  
period of time you selected.
